The California Public Employees' Retirement System (CalPERS) is a civil service agency of the State of California. As stated in the Constitution of the State of California, Section 1. (b) "In the civil service, permanent appointment and promotion shall be made under a general system based on merit ascertained by competitive examination." The merit system requires that competitive, job related examinations be utilized to determine the relative qualifications of applicants for employment and enables State agencies to hire the most qualified eligible candidates, as determined by these examinations.

CalPERS is currently administering an Open civil service series-examination for Portfolio Manager and Senior Portfolio Manager (Global Equities). The examination will consist solely of a Supplemental Application. The Supplemental Application evaluation will be weighted 100% in determining a candidate's final examination score and rank on the resulting employment eligibility lists. There will be no examination interviews; however job interviews may be conducted. Only those candidates who meet the minimum qualifications for the job classification(s) for which they apply will have their Supplemental Application scored. A completed Supplemental Application must be submitted along with a completed standard State application (STD 678).

Successful candidates will be placed on CalPERS' employment eligibility list for Portfolio Manager (Global Equities) or Senior Portfolio Manager (Global Equities). Candidates who are successful in this examination, and whose scores place them within the first three ranks on the employment eligibility list, may receive a State of California Employment Inquiry form (STD 628) to determine their interest in employment with CalPERS. Candidates will be instructed to complete the Employment Inquiry form and return it to CalPERS Human Resources Division by a specified date. Failure by the candidate to respond to the Employment Inquiry form by the due date or failure to appear for a scheduled job interview will be considered a waiver. A candidate who receives three waivers will be placed on the inactive list for the job classification listed on the Employment Inquiry form.
